

BaByliss[®] PRO

**SATIN
SMOOTH[®]**

A premium soft wax blended with Manuka Oil & Beeswax, making it particularly effective on coarser hair, such as mens' and the bikini area.

- Manuka is a relative of tea tree oil that originates in New Zealand.
- It has unique antibacterial properties that soothe and restore the skin and is both antiseptic and anti-inflammatory.
- This soft wax is suitable for use on all skin types and is particularly effective for the removal of thicker, coarser hair such as men's and the bikini area.
- Available in 450g tubs.
- Barcode: 3030053048411.
