

BaByliss[®] PRO

SATIN SMOOTH[®]

A new concept in after wax care, this gel type silky light lotion has a high concentration of emollients to calm, soothe and hydrate the skin. Ideal for use on legs and body.

- Contains Botanical complex #2. An intensive moisturising blend of extracts including Aloe Vera, cucumber, camomile, arnica, calendula and allantoin, all skilfully blended with multi-vitamins, collagen and mucopolysaccharides.
- Formulated primarily for the legs and body, its soothing and calming effect also makes it an excellent after sun lotion.
- Available in 500ml (BAB4847U) or 250ml (BAB4856U).
- Barcode: -
BAB4847U - 3030053048473
BAB4856U - 3030053048565.
