

# BaByliss **PRO** Hairdressing

Universal Diffuser is suitable for use with most BaByliss Pro dryers and comes with 3 separate attachments for lift, volume and frizz free curls.

- Finger: Lifts and separates hair for body and volume - doesn't blow out the style.
- Soft Finger: Soft flexible fingers add volume while massaging the scalp.
- Air: Distributes air evenly to maintain curl without frizz.
- Barcode: 3030053900078.
