

BaByliss[®] **PRO**
FORFEX

EDUCATION BROCHURE

Courses to suit all levels.

Education Overview

Our courses are all about flexibility....if there is a specific course you want to run then we will do our best to accommodate it.

Chris Foster's level of expertise means that there are many topics that can be covered from basic barbering to advanced 3D design work. Just ask us and let us put something together for you!

All courses are backed up with posters and leaflets to help you sell places and students will receive a certificate of attendance.

On the following pages you will find information about our set courses...

Training Programmes

- **Foundation**
 - Introductory basic level course.
- **Intermediate**
 - Technical courses for those with a minimum of 2 years experience who are both fully trained and competent.
- **Advanced**
 - Technical and Creative courses for accomplished stylists with over 5 years experience.

Foundation

Foundation Barbering

Foundation Barbering provides an introduction to men's hairdressing, enabling delegates to develop core competencies which will create a foundation for advanced barbering techniques.

You will gain essential knowledge of basic techniques applied to men's hairdressing as well as the principles for adopting a standardised approach.

This course also looks at how the men's hairdressing market responds to the demands of an ever-changing, contemporary clientele and emerging fashion trends.

Objectives:

- *Introduction to the context of men's hairdressing*
- *Assessing head shapes and hair types*
- *Standardised approach to sectioning*
- *Equipment – effective selection of tools and equipment*
- *Efficient use of all core tools*
- *Finishing techniques.*

To book your place on this course please contact: Danielle Manning on 01252 813026 or email on danielle_manning@conair.com

Intermediate

Clipping Fundamentals

The clipper is the cornerstone for cutting men's hair faster and more effectively.

The style and design of this course means that is suitable even if you have limited clipper experience.

Objectives:

- *Tapering*
- *Fanning*
- *Free hand clipping*
- *Clipper over comb*
- *Channelling*
- *Basic design – Tramlines*
- *Choosing the right clipper*
- *Clipper maintenance*
- *Building confidence*

To book your place on this course please contact: Danielle Manning on 01252 813026 or email on danielle_manning@conair.com

Advanced Clipping

Advanced clipping is for those looking for the ultimate artistic challenge. This course is aimed at experienced hairdressers or those who have attended the Fundamental Clipping course within the last twelve months.

It provides comprehensive insight on all aspects of design from the fundamentals to translating intricate designs into hair styles.

Objectives:

- *Freehand 3D pictorial design – landscapes and creative visuals*
- *Freehand 2D graphical pattern – hair tattoos*
- *Advanced tapering techniques – using clippers to enhance design*
- *Design Dictionary – ultimate guide to creating innovative patterns*
- *Freehand cutting*
- *Inspiration for design.*

To book your place on this course please contact: Danielle Manning on 01252 813026 or email on danielle_manning@conair.com

Continual Professional Development (CPD)

.....keep on learning!

Constant updating of skills is vital to success in any industry. This is especially true in industries like barbering and hairdressing.

Continual Professional Development (CPD) is about keeping yourself up to date with the latest treatments, products, techniques, equipment and business development.

All Forfex by BaByliss Pro courses are now CPD approved by Habia, so taking our inspiring courses enables the individual to work towards their CPD targets.

Foundation Barbering – 5 CPD hours

Intermediate Barbering – 5 CPD hours

Creative Barbering – 4 ½ CPD hours.
