

BaByliss **PRO**

FORFEX

This lightweight clipper has a direct drive motor for smoother, higher power and gives total flexibility in use with corded or cordless operation. The diamond sharpened stainless steel blade delivers dramatically different cutting performance.

- 45mm diamond sharpened stainless steel blade.
- Direct drive motor for smoother, higher power.
- Convenient corded or cordless operation.
- 5 position taper slide switch.
- Lightweight design with comfort rubber grip.
- Detachable blade head for easy cleaning.
- Charging indicator.
- On/off switch.
- Illuminated charging/storage stand.
- 8 comb guides: 3mm, 6mm, 9.5mm, 13mm, 16mm, 19mm, 22mm, 25mm.
- Cleaning brush and oil.
- Barcode: 3030056006722.

*Cutting power measured in laboratory testing as the product of the vertical and the horizontal forces exerted by the blades.
