PRECISION STYLIST TOOLS

**CORDLESS SUPER MOTOR
SKELETON TRIMMER**

BAB787U

CORDLESS SUPER MOTOR SKELETON TRIMMER

Heavy duty professional skeleton trimmer with extra wide Japanese steel t-blade with zero-gap function and high-torque brushless motor for precision detailing and outlining with outstanding performance.

FEATURES

- High power cord or cordless control
- Precision engineered Japanese steel blades
- Extra wide t-blade with zero gap function
- Lithium technology for sustained power performance
- 120 mins usage from a 3 hour charge
- High-torque brushless motor for long-lasting power and speed
- Absolutely balanced for superior handling
- Robust all metal housing design
- Charging and storage stand
- Includes oil and cleaning brush

SAFETY CAUTIONS

This appliance should only be used as described within this instruction booklet.

IMPORTANT CHILD SAFETY

WARNING! Polythene bags over a product may be dangerous. To avoid danger of suffocation, keep this wrapper away from babies and children. This bag is not a toy.

WARNING! THIS APPLIANCE GETS HOT!

- **ALWAYS** keep out of reach of children (during and after use and whilst cooling).
- This appliance should not be used, cleaned or maintained by children.
- Always take extra care if used on children or near children.
- Do not use on very young children.

IMPORTANT SAFETY

WARNING! Do not use this appliance near water contained in basins, bathtubs or other vessels.

- Do not immerse the appliance in water or other liquids.
- Do not take the charging adaptor into the bathroom.
- Use only on cordless mode in the bathroom.
- Always inspect the appliance before use for noticeable signs of damage. Do not use if damaged or if the

appliance has been dropped. In the event of damage, discontinue use immediately and contact the Conair Customer Care Line (refer to 'UK After Sales Service' section for further information).

- Do not use the appliance if the lead is damaged. In the event of lead damage, discontinue use immediately. If the lead is damaged it must be replaced by the manufacturer. Return the appliance to the Customer Care Centre (refer to 'UK After Sales Service' section for further information). No repair must be attempted by the customer.
- Only use the attachments supplied with this appliance.
- Only ever attempt to zero gap the blades using the adjustment tool provided. Be sure the blades are aligned properly . The teeth of the smaller blade (cutter) should rest slightly below the upper edge of the larger blade. Please follow the instructions given within this information booklet precisely.
- Do not leave the appliance unattended when switched on or plugged in.
- Do not place the appliance on any surface whilst in operation.
- Before use, check that the voltage supply corresponds to the voltage indicated on the appliance.
- Maximum continuous operating time is 20 minutes; allow to cool for 10 minutes before proceeding.
- Special care is required when using the appliance close to the ears, eyes, neck and face.

- This appliance should not be used by adults whose reduced physical, sensory or mental capabilities, or whose lack of experience and knowledge, might cause a hazard, unless they have been correctly instructed to understand the safe use and hazards involved and are adequately supervised.
- Always switch off and unplug the appliance when cleaning or when not in use.
- Allow appliance to cool before storing away.
- This appliance contains a lithium ion battery and must be disposed of safely at the end of its life. Please take to a recycling centre for safe disposal.
- This product complies fully with all appropriate EU and UK Legislation and the Standards relevant to this type and class of appliance. We are an ISO9001:2015 certified company that continually evaluates our Quality Management System performance. If you have any queries regarding product safety and compliance, please contact our Customer Care Centre. (Refer to 'UK After Sales Service' section for further information).

INSTRUCTIONS FOR USE

- **Charging the appliance** - Before using the appliance for the first time, charge the battery continuously for 3 hours. Maximum battery capacity will only be reached after 3 completed charging and discharging cycles.
 - Plug the charging adapter into a suitable mains power socket and switch on. The red LED indicator light will flash when correctly connected to the mains power and will continuously flash until the battery has fully charged. When the battery is fully charged the LED indicator light will stop flashing but remain on.
NOTE: Always place the trimmer in the base with the 'I/O' switch in the OFF position.
 - When the trimmer is running low on charge, the LED indicator light will flash, warning there is approximately 3 minutes of battery use remaining. A 3 hour charge will provide approximately 120 minutes use. A 30 minute quick charge will provide approximately 30 minutes use.
 - If the charging light starts to flash rapidly (more than 4 flashes per second) then the appliance is faulty. If this happens then please stop charging and remove the adapter from the mains and contact the Conair Customer Care Line. (See 'UK After Sales Service' section for further information).
 - **Preserving the batteries** - In order to maintain the optimum capacity of the rechargeable batteries, the appliance should be recharged for 3 hours approximately every 3 months.
 - **Using the trimmer on the mains** - ensure that the trimmer is switched off. Plug into a suitable mains socket. Wait for approximately a minute, and then switch on.
- IMPORTANT:** Do not use the trimmer in this mode for more than 20 minutes.

Zero Gap Replacement Tool

IMPORTANT! Only ever attempt to zero gap the blades using the adjustment tool provided, following the instructions very precisely.

The adjustment tool is required to adjust the blades to zero gap, to achieve a closer, more precise cut.

Zero Gap Tool with Screwdriver

Step 1.

Before placing the adjustment tool on to the blade, use the screwdriver provided to loosen the tension screws, without removing them completely from the blade holder.

Step 2.

Place the zero gap tool on to the bottom of the blade.

Step 3.

Push the zero gap tool up, so the moving blade sits closely with the top of the fixed blade.

IMPORTANT! Be sure the blades are aligned properly. The teeth of the smaller blade (cutter) should rest slightly below the upper edge of the larger blade.

Step 4.

Using the screwdriver, tighten the tension screws to hold the blade in place.

Step 5.

Remove the zero gap tool from the blade by pushing it gently down.

CLEANING AND MAINTENANCE

To maintain correct performance, the blades must be regularly cleaned and oiled.

- Brush away the hair from the blades using the cleaning brush provided.
- It is recommended to oil the blades every time that the trimmer is used, using the oil provided. Never use any other product: this oil was formulated for high speed trimmers, it does not evaporate or slow down the blades.

UK GUARANTEE

The Conair Group Ltd, Unit 3, Waterfront Business Park, Fleet,
GU51 3TW.

This BaByliss PRO appliance is guaranteed for professional use for 2 years and is only valid within the United Kingdom.

Exclusions

This guarantee will no longer be valid meaning that The Conair Group Ltd will not be liable to repair or replace your product where:

- 1.) The appliance has been used on a voltage supply other than that which is marked on the product, or advised within this instruction booklet.
- 2.) The appliance has been purchased from an unauthorised stockist*.
- 3.) Repairs or alterations have been attempted by unauthorised persons.
- 4.) The failure of the appliance is a direct result of misuse.
- 5.) The failure is a result of not following the instructions for use.

This guarantee does not cover any cosmetic damage due to misuse of the product nor any damage to persons or property that occurs because of product misuse.

*unauthorised stockists include, but are not limited to online auction sites, private sellers and those selling second hand goods, refurbished products etc.

Please contact the Conair Customer Care Line on 03705 133 191 (09:00 to 17:00 Monday to Friday) or e-mail ukinfo@conair.com for further information on authorised stockists.

It is important to retain your proof of purchase. We recommend attaching your receipt to this page.

Even where a refund may be applicable, no refund will be provided without a valid receipt or proof of purchase, we will only be able to offer a repair or replacement service. Please note this does not apply if the product was purchased directly from The Conair Group Ltd.

Guarantees on replacement products run from the original purchase date or date of delivery, whichever is later, and not from the date of replacement.

This guarantee is an additional benefit and does not affect your statutory rights as a consumer.

If you have any queries regarding this guarantee please contact the Conair Customer Care Line on 03705 133 191 (09:00 to 17:00 Monday to Friday) or e-mail ukinfo@conair.com.

UK AFTER SALES SERVICE

For further advice on using the appliance or should you need to return your product, please contact the Conair Customer Care Line on 03705 133 191 (09:00 to 17:00 Monday to Friday) or e-mail your enquiry to ukinfo@conair.com.

Return address:

Customer Care Centre
Conair Logistics
Unit 4, Revolution Park
Buckshaw Avenue
Buckshaw Village
Chorley
PR7 7DW

Please enclose your returns number, name and address details, together with a copy of proof of purchase and details of the fault.

Please note this Instruction Booklet is not the guarantee.

SAFE DISPOSAL

The symbol on the product or on its packaging indicates that this product may not be treated as household waste. Instead it should be handed to an appropriate collection point for the recycling of Electrical and Electronic Equipment (WEEE) and the waste of batteries. By ensuring this product is disposed of correctly, you will help prevent potential negative consequences for the environment and human health, which could otherwise be caused by inappropriate waste handling of this product. For more detailed information about the recycling of this product, please contact your local council office or your household waste disposal service.
